

This book is dedicated to:

*Smt. Indira Gandhi—our state would not have remained
in its current form, if it were not for her iron will.*

*The thousands of men and women of Nizam Andhra Mahasabha and the
Communist Party who bravely sacrificed their lives while fighting the
Nizam, the Razakars, and the Majlis-e-Ittehadul Muslimeen (MIM)*

*The founders of the Young Men's Literary Association and Andhra
Mahasabha—these visionary men from coastal Andhra took the
mere idea of a united Telugu state from concept to reality.*
